

In groups of 4 or 5, each member of the group, needs to record themselves making a control, share the important tips or 'keys' that are mentioned in the SESSION 1 in order to make a good control. The members of the group, need to explain also, what tip or key are they applying, in order to make the control. Also, participants need to explain, why the growth mindset helps a player to perform in a better way. The video has to be less than 1 minute in total.

(C) beside your name, means that you are the Group captain for this week.

This task will be done by groups.
Only one video from each team. Every group has to
assign a name itself.

We will reward the cooperation and creativity of the
videos.

We encourage you guys to show us how didactic and
proactive that you can be.

If anyone does not want to appear in the video for
justified reasons, it's fine but everyone has to
participate in the creation of the video, assigning tasks
and cooperating with each other.

The video has to be send to: marketing@tngs.es
