

For the **TNGS Challenge of Week 2**, participants should record themselves explaining what they learned from the **NG Skills session**. They must explain what means being a good leader.

For the **NG Training session**, participants should record themselves explaining a tactical intention.

Participants can choose between *Offensive* or *Defensive* tactical intentions and they must explain

ONE between the following:

- Set, Divide, Keep, Progress and Finalize
- Or
- Timing, Orient, Recover, Avoid, and Protect Goal.

Participants can record themselves carrying out the tactical intention or they can explain it from the analysis of a Game (for example Manchester Utd – Chelsea FC).

Remember:

- It's a **group activity**. You will work with the same group as in the last challenge. There should be **one video for each group**. Show your ability to work as a winning team!
- Each video must be **less than 59 seconds**.
- Please **record yourself horizontally**.

- If the video is delivered after the deadline **it will not be accepted.** A good player respects the rules!
- You can use *wetransfer.com* to send the material
- It is your time to demonstrate your skills, show your best version, work with your colleagues and apply everything you have learned in the sessions.
