

In the 3rd TNGS Challenge:

Participants must analyze 2v2 or 4v4 (offensive or defensive situations). Participants can choose a real game or record themselves making the action. Participants must explain why self-confidence is important for its own performance and team performance.

HOW IS THE VOTING MADE?

We will post all videos in both instagram accounts @tngs_saudiArabia and @tngs_safrica. In order to vote for the best video, voters should click “like” on the comment where the group that they want to vote appears. The sum of votes, will be made from the two accounts and the group with most “likes”, will be the winner.

The most voted video will be uploaded to the @tngs_sports account and will compete with the most voted video from the NG Camp Caribbean. The comment with the most “likes” will be the winner.

(C) Every group must select a new captain for the week.

This task will be done by groups.

Only one video from each team.

Every group has to assign a name itself.

We will reward the **cooperation** and **creativity** of the videos.

We encourage you guys to show us how didactic and proactive that you can be.

If anyone does not want to appear in the video for justified reasons, it's fine but everyone has to participate in the creation of the video, assigning tasks and cooperating with each other.

REMEMBER! 59 SECONDS!

The video has to be send to: marketing@tngs.es

On Monday 15th of June.
